विषय/Sub:- System improvement regarding standard guidelines for minimum opening time of Limited Tender Tender.

In an on going Vigilance Investigation of Tender cases of Depots/Divisions, it is noticed that no any standard guidelines are laid down in regard to minimum opening time of Limited Tender.

It is also noticed that there is a large variation in opening time of LT in different Depots & Divisions. At some places it is very less i.e. one (01) or Two (02) days only. Very short opening time given may restrict the potential bidders and defeat the purpose of fetching most competitive rate from the market.

Hence, it is advised to issue necessary directives/instructions to all purchase authorities of NFR in HQ, Depots & Divisions regarding minimum opening time of LT/SLT. Options may also be explored to incorporate the provision of minimum opening time of LT/SLT in iMMS.

Action taken in this regard may please be communicated to Vigilance.
